The Scholarship Norms

- Scholarship will be awarded only for graduate degree courses in India.
- A minimum of 65% (for 3 year degree courses) and 80% (for 4 year plus degree course) marks should be obtained in 10th and 12th Standard.
- Annual family income should be less than Rs.2,00,000/- (Two Lakhs) for availing the scholarship.
- All Scholars should have secured admission in colleges for graduate degree courses prior to awarding the scholarships. Proof of admission need to be provided while giving request for scholarships.
- Maximum Scholarship amount per candidate per year will be Rs.30,000/- including exam fees for 3 year courses and Rs.50,000/- including exam fees for courses ≥ 4 years.
- Scholarship will cover only Tuition and Examination Fees subject to maximum eligibility.
- Payment will be made only on submission of original fee payment receipts from colleges.
- During the degree course duration, a minimum overall score equivalent of $\geq 65\%$ marks should be maintained by the scholar in each academic year in the same course/college. Foundation reserves the right to terminate scholarship if performance is below this or student has arrears during semester completion.
- The awardee should ensure attending all the meetings, activities, and training sessions arranged by Foundation for scholarship continuity.
- The Foundation reserves the right to cancel a scholarship without disclosing any reasons for the same at any time.
